COMPANY OVERVIEW

1776 Construction Group LLC is a Service-Disabled Veteran-Owned Small Business (SDVOSB) specializing in the design and construction of athletic fields, including both natural and synthetic turf fields, as well as outdoor courts and tracks. We provide services for a variety of projects including parade fields, sports fields, ACFT sites, pickleball courts, tennis courts, basketball courts, and running tracks. Our mission is to deliver high-quality projects with a level of professionalism shaped by military values. We differentiate ourselves with extensive experience, a commitment to excellence, and a passionate dedication to each project.

PAST CLIENTS

- Florida Gulf Coast University
- Lee County School District
- Florida Department of Environmental Protection
